

Life on the Fly...
by Lori-Ann Murphy

This is for you:

"May the road rise up to meet you. May the wind be always at your back."

—*Irish proverb.*

Meet Joseph Curtis! He is our Shop Manager at Reel Belize in downtown San Pedro. He keeps regular shop hours (blessing for L-A) and ties flies between homework on line for school. And when he is out with his fly rod - he is looking for Tarpon!

I don't have to go far to get lost in a fishing story. I love hearing about Joseph finding new places to fish for Tarpon. He told me a story about fishing the docks the other night and how he had two huge Tarpon eat his fly - he played them both, but fishing docks has its downside, the pier. Tarpon just love to run and jump and when they tie you up around a dock post, well, it's a wrap!

I believe in fun. It keeps me laughing and learning. Listening to Joseph - who is 15, tell me how his new flies are not only working but Tarpon are smashing his flies...well, look at some of the video he took this week at one of his spots close to home. What's not to love?

Some of my all time favorite fishing is when I have been checking new spots for fish. The discovery is the fun and then what happens... well, that makes your story.

Go out and make your fly fishing story. I'm pretty sure we all love this part about our fly fishing.

Happy Springtime!

—Thank you! L-A
