Hello RWFFA Friends,

## Some nights change you forever...

Some places stay with you long after you leave.

Patagonia is one of them.

This April, I'd love for you to join me in Argentina for a truly special fly fishing adventure with our longtime partners at SET Fly Fishing—an experience rooted in great water, soulful landscapes, and the kind of connection that happens when women come together on the river.

This trip is anchored at the legendary **Spring Creek Lodge**, with an **optional Rakin Lodge extension** beforehand for those who want to fish a little longer and ease into Patagonia in a remote, intimate setting.

## Why You'll Love This Trip

- Big skies, wild water, and beautiful trout streams
- Small-group, women-focused experience
- Walk-and-wade fishing at Rakin Lodge (optional)
- Raft-based float fishing at Spring Creek Lodge
- Expert local guides + RWFFA leadership
- Great food, warm lodges, and unforgettable days

## Dates

Optional Rakin Lodge Extension: March 29 – April 4

Spring Creek Lodge Core Trip: April 4 – April 11

Whether you're looking to stretch your casting skills, reconnect with yourself, or simply spend time on beautiful water with an incredible group of women, this trip offers all of that and more.

Patagonia has been calling me back for years—and I'd love to share it with you.

If you're feeling that little tug in your heart... trust it.

Hope you'll come fish with me.
