

Long Tall Sally

by Lori-Ann Murphy

"Our mission is to ignite women who have a passion for fly-fishing and provide adventures to realize their limitless potential."

—Lori-Ann Murphy

Love makes the world go round, just like the rhythm of the tides and the dance of a fly on the water. Whether you're casting alongside your favorite fishing partner or sharing the thrill of a big fish, fly fishing is a reminder that the best moments are those we experience together. This Valentine's Day, celebrate the adventure of love - where patience, passion, and the right conditions create something unforgettable. Just like in fishing, the best things in life take time, but when you find the right connection, it's always worth the wait.

Wishing You Tight Lines & Full Hearts,

L-A

Trips

Rachel Finn and I are hosting a "sold out" trip this April to Argentina. We had one cancellation. Now we have a spot for one woman angler with SET outfitters. Rachel is an ambassador for SET and has run several trips with them. I'm excited to be going! April 26-May 3, 2025. If you are interested in this trip or 2026 dates please email us and we'll get you on the list. I will also be hosting a Dorado trip for 2026 so let me know - this is open to all anglers.
