

## Life on the Fly...

by Lori-Ann Murphy

**River picnics!** In teaching guiding or talking about a fishing day I like to point out that you can't control the weather or fishing, but you can control the food! Yummy sandwiches taste so good as we gaze out on *rivertime*.

As the snow thaws in trout country, life of a new season emerges. Get ready to get out there! I'm so excited to share a special trip we put together with Rachel Finn & the great guides and lodge at Hungry Trout. This is our first east coast RWFFA trip!

Join us in making this one remarkable season!

—Thank you! L-A
